Mr. Grant Gollither
The Diamond Cross Ranch
Box 315
Moran, WY 83013

Dear Mr. Gollither:

I want to express my deep appreciation to you, your wife and staff for the wonderful evening at your ranch. All of us were enthralled with your special talents in working with horses, particularly those needing the special kindness and caring in taking them from their wild roamings to the quietude of the ranch. It was a privilege to have the opportunity to meet your wife and you. We were heartened to learn that the next generation is also interested in carrying on your fine tradition. In addition to the exquisite evening of learning for all of us, we found the ambience, food and service to be outstanding.

Many thanks for the privilege of spending an evening with you.

Sincerely,

Stephen C. Scheiber, M.D.
